# NICE TO MEET YOU!

*I'm Emma*

I've been photographing weddings for ten years now and it still amazes me that I get to work in a world that is surrounded by love, happiness, and wedding cake! I've always been a hopeless romantic at heart, so this is the perfect job for me.

Originally from England, I have lived in five countries, choosing to settle in beautiful New Zealand with my young family and cavoodle Luna. I always keep my passport to hand as I love to travel, especially for weddings!

I'm a photographer, lover of coffee, and always in awe of (and happy to partake in) a well mixed cocktail.

*my mission*

TO CAPTURE THE MOST  
REMARKABLE MOMENTS OF  
YOUR LIFE SO YOU CAN  
CHERISH THEM FOREVER.

I know that long after the cake has been eaten, and your dress has been hung, your photography will be one of the only things that remains after your special, precious day.

Memories may fade, but photographs can make those moments of your life live on forever!

# KIND WORDS

Emma made us feel totally comfortable and at home. The photo's we've received are better than we could imagine and are so thankful to her for making our day so perfect. Emma took charge on the day telling us where we needed to be and guided us on the posing to make the day seem less and stress free. You can tell Emma has a passion for what she does and it comes out in her work. We can't thank her enough for being our photographer :)

# FREQUENTLY ASKED *questions*

## WHAT IS YOUR STYLE?

My style is relaxed, natural, light, and timeless photography. For most of the day, I stay on the sidelines capturing candid moments of you and your guests.

## WHEN IS THE BEST TIME TO BOOK?

I only take a limited number of bookings per month and often book out 12-18 months in advance during peak wedding season, so it pays to get in early!

## CAN WE ALSO RECEIVE THE RAW IMAGES?

I do not provide any clients with unedited photos. That's a bit like asking a baker to sell you batter so you can bake the cake yourself.

## HOW DOES THE PAYMENT WORK?

To secure your wedding date I require a signed contract, complete booking form, and 30% non-refundable deposit (which will come off your total package price).

## CAN I PAY IN INSTALLMENTS?

You certainly can. Feel free to send a message for more information.
